THE PROFESSIONAL

The Cutlery-Pro® Steel

Select high carbon German no-stain alloy steel, which has evolved over the years as the most perfect alloy for superior knife making.

Our formula are proud etched onto every blade:

X 50 Cr MoV15

X = Surgical Steel.

50 = 0.5% carbon, The carbon contents is significant for the sharpness, edge retention and honing of the blades.

Cr = Chromium for stain-resistant properties.

V = Vanadium.

15 = Contents of chromium in % (15%).

The Cutlery-Pro® Forged Knife

The Bolster, an integral part of the knife's construction, it provides balance, safety, heft and authority. Precision Forged, Perfectly balance and shaped. The exclusive —Cutlery-Pro®— look...
